The Karnatak University has agreed to pay the travelling and halting expenses at the rates specified. ~~[illegible]~~ It does not propose to remunerate this officer for the services in any manner other than to grant him travel and halting expenses and the question of crediting the fees or remuneration to be received by him/ to Govt under art. 52 of the M.S.R may not arise if the 'travel and halting expenses' are not considered as 'fee or remuneration'. If Dr. Pichamuthu's request to permit him to serve on the Committee is to be complied with, it may also be desirable to say whether he shall credit the 'travel and halting expenses' to Govt claiming only the T.A. for his journey and stay outside the State under the M.S.R.
